

# **EBONY RASHAAN HOSKINS, M.D.**

## **PROFILE**

Board certified in Gynecologic Oncology and Obstetrics and Gynecology with experience as an attending physician in urban and community hospitals. Strong clinical skills, particularly as an efficient and detail-oriented surgeon with a focus on complex benign and malignant surgical cases and surgical options for morbidly obese patients. Proficient in management of chemotherapy and chemotherapy related adverse effects. Collaborative in coordinating radiation oncology and medical oncology for patients in their communities.

## **EDUCATION**

**M.D. (2002)**, Wayne State University School of Medicine, Detroit, MI

**B.S. Chemistry (1998)**, Xavier University of Louisiana, New Orleans, LA

## **POST GRADUATE TRAINING**

**da Vinci Robotic Training (Sept. 2011)**: On-line and console certified training on the da Vinci Robot. Performed 500+ complex benign and malignant gynecologic surgeries since completion, including surgeries on morbid and super morbidly obese patients that would otherwise be suboptimal surgical candidates.

**Fellowship, Gynecologic Oncology, Magee Women's Hospital of UPMC, Pittsburgh, PA (July 2008-July 2011)**: Received specialty competence training, including rigorous and comprehensive surgical training in gynecologic oncology. Completed and published thesis research project and collaborated with other division scientists on various research projects. Average patient census: 20-25.

**Residency, Obstetrics and Gynecology, St. Joseph-Mercy Hospital, Ypsilanti, MI (July 2002-June 2006)**: Received comprehensive obstetrics and gynecology training in an academically oriented community hospital. Strong emphasis on graduated autonomy. Received the Apple Teaching Award from the University of Michigan Medical School students.

## **LICENSURE & BOARD CERTIFICATION**

- American Board of Obstetrics and Gynecology, Board Certified Gynecologic Oncology 2014
- American Board of Obstetrics and Gynecology, Board Certified Obstetrics and Gynecology 2009
- District of Columbia, MD046765, active
- State of Maryland, D76985, active
- State of Michigan, 4301080072, active
- Permanent DEA License, active

## **EMPLOYMENT HISTORY**

### **GYNECOLOGIC ONCOLOGY**

#### **MedStar Washington Hospital Center (March 2019-present)**

Employed physician serving the Washington, D.C. metro area, specializing in surgical and medical management of gynecologic malignancies. Facilitate collaboration with radiation oncology and surgical oncology in the management of women with gynecologic cancers and metastatic disease. Provide comprehensive standard care of gynecologic oncology patients.

**EMPLOYMENT HISTORY** (continued)

**GYNECOLOGIC ONCOLOGY**

**Women's Health Specialists, Rockville, MD (July 2014-March 2019)**

Private physician serving the Washington, D.C. metro area, specializing in surgical management of gynecologic malignancies and complex benign gynecologic issues. Provide comprehensive standard care of gynecologic oncology patients. Credentialed to practice at Holy Cross Health in Silver Spring and Germantown MD and Shady Grove Adventist Hospital.

**ATTENDING PHYSICIAN, GYNECOLOGIC ONCOLOGY**

**Mercy Health Saint Mary's, Grand Rapids, MI (Aug. 2011-June 2014)**

Hospital-employed physician in a 344-bed acute care hospital serving 14 counties with a population of 1.2 million. Employed in The Lack's Cancer Center, one of 21 National Cancer Institute Community Cancer. Provide medical care for a wide range of patients with varied socioeconomic backgrounds and diagnoses, including cervical, ovarian, vulva and endometrial cancers. Perform all standard gynecologic and gynecological oncology procedures and surgeries; aim to perform minimally invasive surgical procedures in most cases. Performed greater than 200 robotic surgeries while on staff.

**CANCER RESEARCH TRAINING AWARD (CRTA) FELLOW, Molecular Signaling Section  
Laboratory of Pathology, National Cancer Institute, Bethesda, MD (Aug. 2006-June 2008)**

Trained in the National Cancer Institute under Elise Kohn, MD. This two-year fellowship involved detailed work in basic science/transitional research in ovarian cancer. Gained knowledge and drove hypothesis genesis work into the molecular mechanisms of ovarian cancer pathogenesis and disease process.

**STAFF OBSTETRICIAN / GYNECOLOGIST**

**Providence Hospital, Washington, D.C. (Oct. 2006-June 2008)**

Per diem position to maintain clinical skills while training (CRTA) at the National Cancer Institute. Served as attending Obstetrician and Gynecologist during assigned shifts in an urban hospital serving patients with often high-risk medical issues and no health insurance.

**ACADEMIC APPOINTMENTS**

**CLINICAL ASSISTANT PROFESSOR**

**George Washington University School of Medicine and Health Sciences (Nov.2014-March 2019)**

Serve as clinical faculty in gynecologic oncology for third year medical students and Obstetrics and Gynecology Residents in the Department of Obstetrics and Gynecology at Holy Cross Health.

**CLINICAL ASSISTANT PROFESSOR**

**Michigan State University College of Human Medicine, Grand Rapids, MI (Nov.2011-June 2014)**

Serve as clinical faculty in gynecologic oncology for third and fourth year medical students in the Department of Obstetrics and Gynecology at MSU-CHM.

## **RESEARCH EXPERIENCE**

Grand Rapids Clinical Oncology Program (GRCOP): Co-principle investigator in the Gynecologic Oncology Group (GOG) of the GRCOP, a cooperative organization, which offers national clinical trials to the community of West Michigan (Aug. 2011-Present).

Research component of fellowship, Magee-Womens Research Institute, Tom Conrads, PhD, “Epithelial Ovarian Cancer Tumor Microenvironment is a Favorable Biomarker Resource” (2008-2009).

Cancer Research Training Award, Laboratory of Pathology, National Cancer Institute, Elise Kohn, M.D., “Secretory Leukocyte Protease Inhibitor and its Positive Mediation of Invasion and Metastasis in Ovarian Cancer” (2006-2008).

## **HONORS & RECOGNITIONS**

- Washingtonian Top Doc 2016, 2017, 2018

## **PROFESSIONAL MEMBERSHIPS**

- Center of Excellence Minimally Invasive Gynecology Designated Surgeon (2017)
- Society of Gynecologic Oncologist, Full Member (2008-Present)
- American Society of Clinical Oncology, Associate Member (2007-Present)
- American College of Obstetrics and Gynecology (2002-Present)

## **PUBLICATIONS**

Published in the *Grand Rapids Press* newspaper. Articles cover topics such as obesity and cancer, HPV vaccination and endometrial cancer.

**Ebony Hoskins**, Brian Hood, Tom Conrads, Robert Edwards, Ovarian Cancer Biomarker Identification from the Tumor Tissue Microenvironment PLoS One 2011; 1-6.
